Step	1
Action	Open URL https://qa.demoshopping.ru/
Expected result	Website is opened; header is visible
Step	2
Action	Enter valid credentials, click «Войти»
Input data	Test data login/parol
Expected result	Authorization succeeds; the «Каталог» page with product grid is displayed.
Step	3
Action	On «Каталог», add two items: one with free delivery and one with paid delivery (click «Добавить в корзину» for each)
Expected result	Cart counter increases to 2
Step	4
Action	Click «Корзина» in the header
Expected result	«Корзина» page opens; the added item is listed

Step	5
Action	On «Оплата», check the total
Expected result	«Общая стоимость» equals (sum of items) + 5 USD (shipping fee added once, because the order contains an item with paid delivery)

Payment page — deleting an item auto-recalculates the total
